2022

Winter/Spring Series

January 20 - April 28

8 sessions

Every other Thursday

Interactive sharing of best practices,
case presentations and brief lectures
by a psychologist, a clinician, an applied
behavior analyst, and a parent.

Earn CMEs or NASW CEUs at No Cost

9:00am - 10:30am Alaska

10:00am - 11:30am Pacific

11:00am - 12:30pm Mountain

12:00pm - 1:30pm Central

1:00pm - 2:30pm Eastern

ECHO is an evidence-based model
that improves access to specialty care
in underserved populations through
collaborative teaching and a national
learning network. [Learn more](#)
